entrance fee form

The National Park Service requires river-rafting companies to collect the fee from all passengers beginning their trip in Flagstaff. We collect the fee from everyone in advance so we don't have to take the extra time when you arrive.

Please list all members of your party, their age, and indicate whether paying the fee or if under 16.
Payment must be enclosed with form (check or money order)

The entrance fee is \$12 per person—persons under the age of 16 are exempt.

An interagency pass — "Annual Pass, Senior Pass, or Access Pass" — may be substituted for the entrance fee. **A photocopy of the pass (front and back) in lieu of the fee is required.** If no copy of the pass is received, you will be charged the individual fee. **The passes will admit the pass holder + 3 additional persons — not to exceed 4 persons.** (Children under 16 are always admitted free.) An Annual Pass, Senior Pass, or Access Pass may be obtained in person at the park, by calling 1-888-ASK USGS, ext 1, or online at <http://store.usgs.gov/pass>. **Canyoneers does not sell national park passes!**

Attach a photocopy of interagency park pass (front AND back)

If you arrive early and visit the South Rim prior to your trip, you will be required to pay the fee when you enter the park if you do not have a park pass. Save the receipt and turn it in to the orientation host and you will not be required to pay again.

Payment must be by check - separate from final payment.
Please make check payable to **Canyoneers**
